

FULL NAME	IVAN CIRO PALOMINO	NATIONALITY	PERUVIAN
WEBSITE	http://ivanciropalomino.blogspot.com/	DATE AND BIRTH	1977
SHORT BIOGRAPHY	<p>Ivan Ciro Palomino was born in 1977, in Lima Peru. He studied in the Faculty of Art and Design in the PUCP. His artwork is defined by mixing up the ambiguous, the real and the antagonistic, and by combining symbolic realities, sometimes accompanied by irony. In 2016 he was awarded by the UN in a contest where 4000 artists from 125 countries participated. In 2017 he won in two categories of the contest "17 objetivos para transformar nuestro mundo", organized by the UNESCO. That same year he also won in the contest "Latin Energy, the best Latin American illustrations 2017", with the illustration "Una ecuación diferente". Next year, he returned to New York for his first individual exhibition: "AWARENESS" in the UN. Besides, he won an international award to the best project. In the past few years, Palomino hasn't stopped participating in contests and has being in group exhibitions in countries like The United States, Switzerland, Austria, Spain, Argentina, Rumania. Brazil, China, among others.</p>
