Naufan Noordyanto was born on April 5, 1990, in Pamekasan, Indonesia. He is a lecturer at Department of Visual Communication Design (VCD), Institut Teknologi Sepuluh Nopember (ITS), Surabaya, Indonesia. Naufan has conducted interdisciplinary research between graphic design and typography with a sociocultural approach, design critics, and graphic design experimentation theory.

For several years, Naufan also works as an independent graphic designer and graphic consultant who focus on graphic design: poster and visual branding; typography, illustration, etc. He has been awarded, invited, and selected in more than 130+ international art events and competitions, and no less than 20+ national art and design events. Besides in Indonesia, his works was exhibited or presented in 35 foreign countries. On several occasions, he served as a speaker, guest lecturer, or jury member in various national and international art and design events. He is also involved as a member of the local artist community in Pamekasan, Madura. He actively initiated on local scale social projects to help local artists and students develop their abilities and knowledge about art and to prepare them to participate in the art competitions.
