

FULL NAME	ORHUN TURKER	NATIONALITY	TURKISH
WEBSITE	https://orhuntuturker.com/	DATE AND BIRTH	1992
SHORT BIOGRAPHY	<p>Born in 1992, Samsun/Turkey. After graduating from the Samsun High School of Fine Arts, he studied at the undergraduate program of the Art Education in Bolu Abant İzzet Baysal University. During his undergraduate education, he studied visual communication and design at Siauliai University in Lithuania. After returning from Lithuania, he completed his master's degree in graphic design in Bolu Abant İzzet Baysal University. In his interdisciplinary master's thesis, he researched the effectiveness of digital illustrations in the development of social skills, together with the special education department, and received scientific research scholarships with the thesis topic. After his graduate education, he worked in the graphic design office of Bolu Abant İzzet Baysal University, Rectorate unit. He is also working in as a research assistant in the Bolu Abant İzzet Baysal University Fine Arts Education department. He teaches printmaking, calligraphy and perspective in the Fine Arts Education department. Throughout his work, he was on the organizing committee of many national and international organizations. He continues his PhD education in the graphic design in Hacettepe University. One of his areas of specialization in doctoral education is augmented and virtual reality. He also has articles and applications on these topics. During his doctorate education, he participated in international competitions and organized national / international design competitions. One of these competitions is BIAH 2020 - Bolu International Poster Design Competition.</p>
